Announcement Letter October 1981

A warm and special greetings to all once again. We are really looking forward to seeing you soon — at God's Feast of Tabernacles 1981. Now less than three weeks from the beginning date.

Please take special care. Pray for the safety and protection of all. Let us not take God's promises of blessings and protection for granted. As James was inspired to write, we sometimes do not receive because we do not ask. Ask God for protection, health, spiritual success. He hears and answers.

ARTICLES

Another section of The Gnostic Connection is submitted for this month. We pray you will have rewarding and informative reading — the spiritual understanding being enlightened even if the contents are most sobering.

The decision has been made to complete the typing, printing and mailing of the book, The Gnostic Connection, as rapidly as possible. We have elected to use reserves to achieve this purpose.

Because of the severe economic situation which has affected many people, we are forced to limit the number of pages of the Announcement Letter and the Monthly Letter. Once the current book is printed and mailed, we will also limit the number of pages, as well as frequency of future articles. We want to use profitably whatever God sends. By care and judicious management, I am sure God will see us through this current economic recession — or whatever it should be called. We are already making adjustments in an attempt to exercise good fiscal responsibility.

PRAYER REQUESTS

FEAST OF TABERNACLES

Be attentive to your airline reservations. Many sudden changes are made without informing ticketholders. Consistently check on the status of your reservations.

Announcement of Annual Business Meeting is enclosed.

Due to certain gravel conditions at the parking site — Feast of Tabernacles — it is advisable for you ladies to bring a pair of flat-heeled shoes to walk from the parking lot to the building.

There is a need for volunteer help — especially typists, reception work, etc. Please let the office know of your availability at your earliest convenience. With sufficient help, no one need work any extended period of time.

Those needing counseling, please indicate names early in the Feast so we can conveniently arrange to serve you all. Give your names to office personnel (at site).

Service schedules and other material will be available at the Feast site office.

Opening night service is at 7:30 p. m. — October 12, 1981.

CONCLUSION

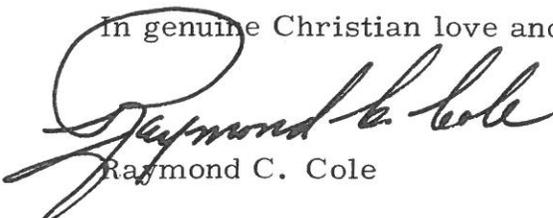

Mrs. Connie Farrar of Ontario, Canada, just recently died. Though most of you did not know her, she was an example of courage and conviction.

We are happy for many for whom we have prayed. They are either healed or doing much better.

A good tape return is imperative. Our return ratio is very much too low. With an excess of 35,000 tapes in circulation, we should realize a much greater ratio of returns. This fact alone would help us economically. Thank you for careful consideration of this matter.

Looking forward to seeing all. For those who can't come, we will miss you.

In genuine Christian love and respect,

Raymond C. Cole
