## Announcement Letter October 1997

Dear Brethren:

My vision remains about the same as reported to you last month. Though I do not have perfect vision yet, I am so very grateful that the part of vision which allows me to read and to fulfill the work I need to do daily is not severely impaired. God is good and deserves my greatest gratitude and appreciation. I have certainly tried to be loyal and faithful to Him.

Please continue to pray about the matter. I feel the need for my complete eyesight is essential. There is much yet to be done. God knows best. His judgment can be trusted implicitly.

### Ordinations

On Trumpets—October 2, 1997, two men were ordained to the ministry. Mr. Jon Brisby and Mr. David Carter were separated for the responsibility of service to the children of God. They now bear all power and authority necessary to carry out their new duties. We recommend them to you with assurance and confidence that they will serve you well.

They were ordained by laying on hands of the ministry. How far and in what capacities God will use them is entirely up to Him. They belong to God not any human being. Their cooperativeness and loyalty to God's way of life is that which so highly recommends them. May your prevailing prayers, along with those of the ministry, ever be with them.

three years to live. He is in no pain but the growths make breathing difficult. He would appreciate your prayers.

### **Announcements:**

Mr. Tony Natzka of New Zealand sends warm greetings to all the brethren and wishes everyone a wonderful Feast of Tabernacles.

Mr-s. Burt Bouwer and family also wish to extend their greetings and wishes that all will have a happy and blessed Feast.

There will be a Sabbath service, October 25, in Townsend, Tennessee following the Feast. The meeting will take place in the same location where the Feast meetings were held.

### **Feast of Tabernacles: Returning Used Cassette Tapes**

Those driving to the Feast may bring cassette tapes that are no longer being used. We will once again transport them back to Eugene from the Feast sites. In Townsend, Tennessee they will be collected and boxed for shipment. Mr. Tim Sherwood will be responsible for collecting and boxing. Remember, you may keep any tapes which are not clear or white. Duplication of Feast sermon tapes requires an enormous number of new cassettes and these returned tapes help to offset the cost.

### **Office: Area Code Changes**

We have experienced some difficulty in getting through to brethren due to changes in area codes. Since many areas within the U.S. have been assigned new area codes, please let the office know if your area code has been changed.
