## **Announcement Letter April 1998**

Dear Brethren:

Warm greetings from our new office. As with any move, it was not easy. Attempting to keep current with daily work and at the same time sufficiently pack to make a move posed problems which had to be addressed. All that is now passed. We are in the new building. Much organizational work yet needs to be done. Even so, we are able to perform all necessary work. In a few weeks everything will come together quite nicely.

There are many advantages in this new location. Add to that a significant increase in square footage of floor space. It is nice to have sufficient room to efficiently perform all routine responsibilities.

We are very grateful to God for this very great blessing. To you is owed much appreciation and thanks for your prayers. We would be totally ineffective without you. In the same way we trust that you feel the same way toward the office staff and the ministry.

Again all our thanks to you for those daily prayers and the encouragement we receive from your faithfulness. Indeed, we are your servants.

### **New Office**

Our new physical street address is 1471 Pearl Street. Please note that our mailing address remains the same. The mailing address is PO Box 775, Eugene, OR 97440-0775.

Our new primary office phone number is (541) 344-8880 and our secondary phone/fax number is (541) 344-8881. Although calls to the old number will be forwarded for a period of time, this service provided by the phone company eventually will be discontinued. Please make a note of the new number and begin using it as soon as possible.

## **Internet**

Mr. Clark is continuing to work on the "Great Men of the Old Testament" series, however, it will not be completed for some time. Again, when the series is completed it will be made available to the members.

Six more articles in the "Great Men of the Old Testament" series will be added shortly. Those that have access to the Internet may view these articles on the church web-site address: <http://www.cogte.org>

We are encouraged by some responses to our Internet web-site. Please continue to pray that God will grant a substantial response increase.
