Announcement Letter March 2006

Dear Brethren:

It is always a pleasure to greet all of you in these monthly mailings and express our heartfelt love and appreciation for your examples to hold fast to the faith once delivered. It is an honor to devote ourselves to your particular service, knowing your lights are shining in this very dark world, and helping to fulfill God's promise that the gates of hell will never prevail against His Church.

As long as there are some—even if only very few—who refuse to depart from those teachings revealed by Jesus Christ through His last-day servant, that light is shining, and acting as an illuminating witness. Never give place to thoughts that your efforts are insignificant, or that the sacrifice is too great. Even though the world does not know who you are in the plan and purpose of God, the day is coming when it certainly will know. Thank you for your determination to practice true Christianity in your lives, day by day, in spite of the many obstacles in this Babylonian society. For the time being, we may be considered foolish and inconsequential by the great thinkers of this world, but the day is coming when those same little ones are going to be recognized by miraculous means as the Spirit-begotten Sons of God. Indeed, what a revelation that will be. The sacrifices required today to put Christ first are well worth it given the glory awaiting those who endure until the very end.
