

## Announcement Letter April 2016

Dear Brethren:

It is a special privilege to address all of you who receive this monthly mailing, especially because many of you are among the few on this earth today who have the opportunity to make an acceptable sacrifice before God for the upcoming Passover and Feast of Unleavened Bread.

No, we are not claiming to be "the only ones." But how many other people alive today even remotely know who is the true God? How many understand who Jesus Christ really is and what His sacrifice is all about? The worldly "Christians" already celebrated their Easter a few weeks ago. Although using the name of Christ, they do not know Him! So the subset of those who actually were called of God in this age and given open minds to know the true Christ is very small. And among that very small group, how many are holding faithfully to the doctrines that Jesus Christ delivered through a chosen servant? It is only among that very small subset that acceptable Passover services might possibly be observed.

Yes, even as was true in the days of Elijah, it is very possible that there are seven thousand today who have not bowed the knee to Baal (Romans 11:2–5). But if so, they are not organized in any fashion that makes them identifiable to us at this present moment. But assuming it is true, it is still *a very small remnant* in total that will be observing a proper Passover and showing true respect for the sacrifice of the body and blood of Jesus Christ.

May each one of you receive the grace and special favor that God has promised to His faithful children. You are blessed of all people to have this incredible opportunity. Our reconfirmation of that *covenant of life* through Jesus Christ is the foundation of our hope for an eternal reward. It is a glorious future that awaits. In a time to come, there will be thousands—even millions—celebrating the Passover and Feast of Unleavened Bread according to God's instructions. But in the meantime, the few of you who are doing it correctly today are an incredibly bright light. May your lights continue to shine in this very dark world.
